New! Preparing for College

The ideal guide for students looking for the best college to suit their needs, Preparing for College helps students evaluate their strengths, interests, and goals in order to find the right educational fit. This accessible, all-in-one resource guides students with everything from choosing a college and undergoing the application process to uncovering the financial resources to pay tuition and expenses and adjusting to the academic and personal challenges that first-year students face. With an emphasis on successfully navigating the high-pressure college application process and dealing with the stress of balancing college and family life, Preparing for College explores practical techniques to help students identify and concentrate on their most important considerations. ©2009.
